*Web Frameworks:* Django, Flask, Bootstrap  
*Application/Web Server:* Apache2

*Database and ORM:* SQL, PostgreSQL, SQLite, SQLAlchemy  
*Other:* Linux Shell Commands, Git, Virtual Machines, Adobe Illustrator

## RELEVANT PROFESSIONAL EXPERIENCE

---

Co-Head Underwriter, Partner  
*Kalamata Capital Group LLC*

June 2014- Present  
Broomfield, CO

- Leads a team of 5 Underwriters to quickly and efficiently analyze small businesses. As a team handled up to 80 submissions a day, and funding up to \$5mm a month.
- Helped the company grow from 2 Employees to over 50 in less than 5 years
- Developed Underwriting Methods and Procedures, making it possible to underwrite \$750k offers in less than 2 hours
- Created Excel Apps to analyze financial information and produce a overall grade for applicants used by the entire Underwriting Department
- Designed Marketing Material including: Informational Handouts, PowerPoint presentations, and Company Logos. Marketing Materials were used to recruit new Brokers, increase submissions from partners, and acquire Financial Backing from large Financial Institutions

Case Analysis Division Intern  
*National Center for Missing and Exploited Children*

January 2014- April 2014  
Alexandria, VA

- Organized and expanded a data set of long term missing and recovered-deceased cases, enabling investigators to keep track of older case files
- Updated and edited entries in the in-house Sex Offender database, allowing investigators quickly find information on Offender's current status
- Performed searches on social networking sites for missing children and known companions, providing leads to investigators

Research Assistant  
*Institute for International Economic Policy*

October 2012- April 2013  
Washington, DC

- Assisted a George Washington University PhD candidate on his thesis forecasting poverty levels in the U.S.
- Gathered national and state level data from various databases, and organized the collected data for use with regression software
- Summarized academic papers relevant to poverty forecasting to assist the ESL PHD Candidate in his research

## EDUCATION

---

Udacity  
*Full Stack Web Developer Nanodegree*

Broomfield, CO  
September 2018

George Washington University  
*Bachelor of Science in Economics*  
*Minor in Mathematics*

Washington, DC  
May 2013
